**RESPONSE TO NOTICE OF NON-COMPLIANT
AMENDMENT UNDER 37 CFR §1.121**

Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

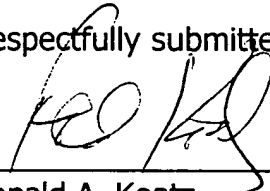

In response to the Notice of Non-Compliant Amendment mailed March 10, 2004, applicants resubmit a corrected "Amendment to the Claims" section to insert status identifier previously inadvertently omitted.

Specifically, the resubmitted section now identifies that claim 1 of the Amendment is a "currently amended" claim.

It is believed the resubmitted section (pages 3-7 of Amendment) overcomes the objection based on non-compliance.

If a further correction would be of assistance in advancing prosecution of the present application, applicants' undersigned willingly invites the Examiner to telephone at the number provided.

Respectfully submitted,

Ronald A. Koatz
